Road Trip

Smashing into this age's popular rock scene, up and coming band "Road Trip" makes it their job to impact their audience in a way listeners could never imagine nor forget. It's a priority to connect with the audience. Whether the audience knows the music or not, it's impossible to not want to dance and sing along to Road Trip. www.instagram.com/roadtrip.wav

The Kelli Baker Band

With a powerhouse voice dripping with a haunting sensuality that slips easily into growling old school blues-tones, Kelli speaks her heart like a beat poet in a late night dive. The kind you only know if you're in the know. Her music is an amalgamation of authentic blues/rock and heart-on-her-sleeve singer/songwriter pop with folk/gospel roots. www.reverbnation.com/themondays

Matt Koelsch

A passionate and thoughtful singer/songwriter, Matt Koelsch ["kel-sh"] has built his music career around stirring lyrics, percolating rhythms, and soaring vocals. His songs strike a chord with listeners as he draws inspiration from the gains, losses and adventures throughout his life growing up in New England. www.instagram.com/mattkoelsch

Looms

have been hustling and creating in the NYC music scene for over 10 years now. With refined music and technical chops, Looms delivers a unified sound that is greater than the sum of its parts.

Fat Nicky and the Snacks

plays the songs you didn't know you wanted to hear. With innovative mashups and a unique song selection played in their way, Fat Nicky and The Snacks always brings the party. <https://www.facebook.com/fatnickyandthesnack>

La Maruzzella

Laura studied the Dwyer vocal technique with Katie Agresta (whose students included Annie Lenox and Cyndi Lauper) and Hester Young. She trains singers in her East Hampton studio and in Manhattan.

Tim Fee & Jeff Taylor

Growing up friends together in a small town in Westchester County, NY Tim Fee and Jeff Taylor enjoyed sharing their various styles of guitar throughout high school; Tim, usually on a 12 string and Jeff on 6 string. Everyone realized that there was an immediate chemistry whenever they stumbled into a prolonged entanglement of jams influenced by Rock & Roll, blues, folk, and bluegrass.

Scarlett Lavin

Lavin is a NYC based Pop artist. She's sixteen years old singer/songwriter. In June Scarlett will be graduating from Berklee School of Music as an Ableton Certified music producer. Empowered with her music production skills, she plans to take over the industry as a female producer. Look for her new releases this fall. Instagram: @Scarlett_Lavin

Jessie Haines

Jessie Haines is a country/pop artist whose infectious songwriting is quickly gaining momentum worldwide. Her songs and performances are authentic, heartfelt, and sincere, drawing influence from her songwriting heroes including Fleetwood Mac, The Allman Brothers, Alicia keys and John Mayer to name a few jessiehaines.com

Brooke Moriber

Known for her "clarion voice" (Associated Press), Brooke Moriber's powerhouse vocals and emotional songwriting have connected with audiences from New York City to Nashville - the two towns she calls home. Growing up in Greenwich Village, Brooke was raised on the sounds of guitar strumming and voices rising through her bedroom window from Washington Square Park and the nightclubs below. She was drawn to music at an early age and at 8 years-old booked her first audition, landing the role of Young Cosette in Les Miserables on Broadway. That was the first of many successes on stage and screen. www.facebook.com/brookemoriber/about

Miguel Dakota

is an Americana/Rock artist currently based in Nashville, Tennessee. He was a finalist on season 9 of America's Got Talent. Miguel's first encounters with music came at an early age. His parents brought him to the New Orleans Jazz and Heritage Festival at just 10 days old. These were the beginnings of a love affair with music. At age 11, Miguel received his first guitar and began learning to play and sing. By 13, he began to write songs of his own. www.migueldakota.net

Remember September

The family that plays together stays together, especially in Rock n' Roll. The Beach Boys, The Kinks, The Allmans, Black Crowes, Oasis... the list is long. There's just something about how the chemistry works growing up in a musical household. Remember September is the Brothers School from Trumbull, CT, Jay lead vocals and guitar, Chris lead guitar, and Eric on the bass, ably aided and abetted by Jim Coppola on drums and Kevin Duffy on saxophone. www.rememberseptemberband.com

RED MATTER

Genre blending, jamband juggernaut Red Matter delivers dynamic, sophisticated songwriting with danceable rhythms - full of rollicking extended jams, musical improvisation, visual stimulation, and all-out aural excitement. redmattertunes.com

Marshall Oakman

Marshall Oakman is a prolific, New York based singer-songwriter-performing musician. Recent single releases, written, performed and recorded by Marshall include At The Boiling Point and She's No Doll, She's A Woman. They were recorded with: Liberty Devitto on drums - former, longtime drummer with Billy Joes; Kasim Sulton on bass - having performed and recorded with Utopia, Todd Rundgren, Joan Jett, Aicia Keys, among others; and Paul Pesco on guitar - having performed and recorded with Hall & Oates, Bon Jovi, Daryl Hall, Jennifer Lopez, among others. www.calliope music.com

Nicholas Grant & Mike Robbins

stick to the basics and light up any room. Two guitars, soulful vocals and catchy rhythms are what you can expect from each performance, all with contagious smiles on their faces! www.nicholasgrantmusic.com
