Annalyse & Ryan

are a NY-based Americana duo. Their sound and songs take listeners on a soulful, rootsy journey, "resounding from the hollers with a haunting beauty" (Jeff Biggers, Huffington Post). The sweetness and severity in their music echos a cross between The Civil Wars and Tedeschi Trucks Band. Annalyse & Ryan's strong harmonies melt together seamlessly, with an undeniable edge: a symbiotic clash reminiscent of their differing senses of place, yet their ironically parallel styles of seeing the world. Their music has been featured on CBS, BBC, and in multiple documentaries. The duo is touring this spring in support of their new EP Trilogy. The album features a phenomenal group of musicians brought together for this 3-song project. annalyseandryan@gmail.com
